List of Instructors Who Can Be Observed

Here is a list of instructors who are currently teaching on campus and welcome other instructors who wish to observe them. Please contact them individually to know when and where they teach during the current semester and to confirm a time to attend. If you have any other questions about the Teaching Partners program, contact Diane Hagni or Angie Hammons.

Beth Cudney, associate professor, engineering management & systems engineering, cudney@mst.edu
Bill Fahrenholtz, Curators’ Professor, materials science and engineering, billf@mst.edu
Ron Frank, associate professor, biological sciences, rfrank@mst.edu
Larry Gragg, Curators’ Teaching Professor, history & political science, lgragg@mst.edu
Amber Henslee, assistant professor, psychological science, hensleea@mst.edu
John Hogan, associate professor, geology, geosciences & geological & petroleum engineering, jhogan@mst.edu
Irina Ivliyeva, associate professor, arts, languages & philosophy, ivliyeva@mst.edu
Mary Ann Koen, lecturer, civil, architectural and environmental engineering, koenma@mst.edu
Merilee Krueger, associate teaching professor, psychological science, krueger@mst.edu
Dan Lin, assistant professor, computer science, lindan@mst.edu
Doug Ludlow, professor, chemical and biochemical engineering, dludlow@mst.edu
Christi Patton Luks, associate teaching professor, chemical and biochemical engineering, luksc@mst.edu
Yinfa Ma, Curators’ Teaching Professor, chemistry, yinfa@mst.edu
Scott Miller, Teaching Professor, materials science and engineering, smiller@mst.edu
Audra Merfeld-Langston, associate professor, arts, languages & philosophy, audram@mst.edu
Kathryn Northcut, associate professor, English and technical communications, northcut@mst.edu
Hank Pernicka, associate professor, mechanical & aerospace engineering, pernicka@mst.edu
Allan Pringle, Curators’ Teaching Professor, physics, pringle@mst.edu
Dan Reardon, assistant professor, English and technical communication, reardond@mst.edu
David Riggins, Curators’ Teaching Professor, mechanical & aerospace engineering, rigginsd@mst.edu
V.A. Samaranayake, Curators’ Teaching Professor, mathematics & statistics, vsam@mst.edu
Dave Westenberg, associate professor, biological sciences, djwesten@mst.edu
